PRESTIGE GIFTS

EACH GIFT ENCOMPASSES AN EMOTION, TRAVELING FROM HEART TO HEART

Celebrating Christmas in the company of people for whom we have a special feeling, adds to our table meanings and values that speak of gratitude and thankfulness. Giving a wine rich in personality, such as those signed Tunella, represents a deeper intention: expressing a style

and showing esteem, affection, closeness. Our gift boxes thus become perfect treasure chests, as well as customizable, with a choice among white, red, passito and Cuvée Madre sparkling wine, for an experience starting from the heart and arriving back there, in your heart.
